

- ① Yes, I agree that money should replace housing allowance and medical benefits. Officers from different grades should receive money, no need to wait.
- ② Yes, civil servants' income should follow the economic situation of H.K. civil servants' income rises while private employees' income rises. If private employees' income receive 16 months salary per year, do the same to civil servants.
- ③ Fixed salary to all civil servants in the same grade should follow be maintained.
- ④ Government should carry on to manage the civil servants' salary.
